

# Guidelines

For Topic Reviews and Reports

Data Science Seminar

# Report/Review of your *own* Topic

- The report/review for your own topics should consist of:
  - Short summary of paper
  - Highlight 3 strong points (What did the paper do well?)
  - Highlight 3 weak points (What could the paper do better?)
  - Comments on strong/weak points
  - Conclusive remarks
  - 1 page per student/paper
- Deadline: February ~~7th~~ **15th**

# Presentation Reviews

- Review the assigned topic presentation
- The review of topics should follow:
  - ½ Page per Talk
  - Highlight Strong and shortcomings(if any)
  - Conclusive Remarks
  - Overall: similar to report, but targeting the presentation
  - Remember: be constructive!
- Deadline: February ~~7th~~ **15th**
